

Get Involved in the Democratic Primary!

Clinton for President

The New Jersey HRC for President Campaign is looking to have you involved!

We are looking for volunteers and offering non-paid internships that allow you to receive real, hands-on experience and work with top-level staff. Those interested would work out of our Trenton-based location on a schedule flexible to the individual.

For more information on volunteering, internships and Hillblazers, please feel free to email me at sgordon@hillaryclinton.com or call me at 609.392.3367.

Edwards for President

The weather is getting cold, but the campaign is heating up! John Edwards' New Hampshire team is seeking volunteers and interns during school vacation breaks this winter. This is a tremendous opportunity for anyone interested in changing America while gaining valuable political experience in the closing months of the first-in-the-nation primary.

For more information, please contact the Edwards campaign at nhintern@johnedwards.com.

Obama for President

The New Jersey Field Office for Obama for America is currently accepting applications for campaign internships. For more information, please contact **Maureen Tracey** at mtraceymooney@barackobama.com.

You can also participate in Break for Obama over the course of your Christmas Vacation. For more information, please e-mail mhodge@barackobama.com.

Richardson for President

The New Jersey branch of the Bill Richardson for President Campaign is looking for volunteers.

Planning for a top three finish in the January 3, 2008 Iowa caucuses, we're setting up a network of volunteers for January 2008 campaign activities here in NJ that we can call upon in the event of a strong finish in Iowa. We also may need volunteers for some very specific NJ campaign events prior to January.

Contact **Steve Kirsch** at njforrichardson@gmail.com in order to volunteer, or even just to ask a question about volunteering.
